**ERASMUS MUNDUS ACTION 2**

This project is funded by the European Commission. The European Commission/EACEA is not responsible for any use made of the information contained in this flyer.

## The main objectives of EXPERTS are

To enhance the international cooperation capacity of the participating institutions from South- and South-East Asia by transferring and sharing know-how and best practices, administrative capacities, and training the next generation of researchers and academic staff.

To exchange ideas, views and knowledge among the partners from both SSEA and EU thus creating opportunities for enhanced communication, collaboration, cultural awareness, and understanding the roles of HEIs.

To promote EU Higher Education Systems in the participating third countries, in particular to enhance the attractiveness of European higher education in the region.

To promote cooperation between sending and hosting institutions- with the goal to increase the compatibility of Higher Education Systems in the EU and Asia and their joint efforts in partnership by facilitating transfer of know-how and good practices.

## Available Scholarships
